

11 December 2024

Attn: Lim May-Ann
Director
Access Partnership
Asia Cloud Computing Association
Coalition for Cybersecurity in Asia-Pacific

Dear Lim May-Ann,

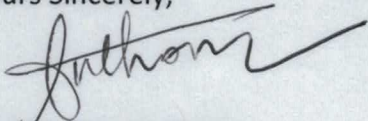

I would like to express my gratitude to you and your organisation for the active collaboration and contributions for the development of the Operational Technology Cybersecurity Masterplan 2024 ("Masterplan"). The Masterplan would not have been possible without your close partnership.

The printed copies of the Masterplan are now available, and we have made available 10 copies for co-creation partners to express our thanks. We will coordinate with your team to arrange for the collection from our office. The electronic copies of the Masterplan will continue to be available on CSA's website at www.csa.gov.sg.

Should you require additional printed copies for your organisation, please reach out directly to Mr. Rem Yeo from Urban Forest Design Pte Ltd via email at rem@urbanforest.com.sg. Please note that modification and/or amendments to the Masterplan will not be allowed and the cost for the additional printed copies will be borne by your organisation.

Once again, thank you for your partnership and trust to collaborate with the Cyber Security Agency of Singapore and we look forward to continuing our partnership to operationalise the initiatives in the Operational Technology Cybersecurity Masterplan 2024.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony', with a stylized flourish extending from the end.

Christopher Anthony
Director, Critical Information Infrastructure Division
Cyber Security Agency of Singapore
